Types of Seat Connectors

Expand Peg Seat - [81268001](#)

- Fits most Hobie kayaks from 2009 – 2011
- Cannot be upgraded to the Twist Lock style

Twist Lock Seat - [81269001](#)

- Fits most Hobie kayaks from 2012-2015
- Must have correct insert in kayak plug end to receive the seat locks

Passport Seat Assembly – [77800010](#)

- For Passport ONLY
- Notable features include:
 - No collapsable legs
 - Mesh backing is sometimes grey
 - Nylon straps side supports with attachment clips

Vantage CTW Seat – [84507825](#)

- For the Outback 2019+ ONLY
- Notable features include:
 - Angled seat corners
 - Nylon cords side supports; not detachable
 - No collapsible legs

Compass Seat Assembly – [84507402](#)

- For the Compass ONLY
- Notable features include:
 - Plastic seat base support
 - Nylon strap side supports

Vantage CT Seat - [84507820](#)

- Fits 2015 and newer kayaks, including the Tandem Island
- Not suitable for Pro Anglers, I-Series, Outback, or Passport
- Notable features include:
 - Collapsible legs
 - Nylon cord side supports that connect to plastic wings

Vantage Seat for Pro Anglers – 84507504

- For Pro Angler 12s and 14s ONLY
- Notable features include:
 - Armrests
 - Seat base angle is adjustable
 - Aluminum support legs

Vantage Seat for I-Series – 84507701

- For I-Series kayaks ONLY
- Notable features include:
 - Collapsible legs supports
 - Nylon strap seat connectors with clips
 - Nylon cord side supports; not detachable

Exceptions

Older Model Kayaks ~2001

- Hobie's suggested model is [81268001](#) but some modification is required.
 - Open Velcro flaps and remove the split ring that holds the expanding pegs. Then use a washer on the rear and in front of the fabric to keep the screw from pulling through. Finally, install the screw through the washers.

Padded Seat – [72402001](#)

- For *Paddle* kayaks ONLY
- No connection points like the Twist Lock or Expand Peg seats
- Connects only via nylon straps with clips
